# Definitions

---

**Cashier's Check** – A check drawn on the account of a financial institution, not that of a private person. Personal account funds may be used to purchase a cashier's check.

**Code** – A word, up to 10 letters in length, which any Information (Call) Center Representative will ask you when you contact DCU. It's important this word be known only to you (and your Joint Owner if you wish) because it's one of the ways to confirm your identity when you call in. You will see an area for your Code on the back of the Membership Application next to the Signature section.

**Field of Membership (FOM)** – A defined category within which an individual must fall to be eligible for membership in a particular credit union. Federal regulations in effect since March 5, 1999 affecting all Federal Credit Unions set the requirements for DCU membership eligibility. Please read the information below before applying for membership.

**Secured Visa®** – A credit card loan with a credit limit secured by funds on hold in your DCU savings account. For members trying to reestablish credit or who've not yet established a significant credit line. Credit lines from \$500 to \$5,000.

# SOUTHBOROUGH OPEN LAND FOUNDATION, INC.

The Southborough Open Land Foundation (SOLF) was incorporated in 1988 as a non-profit land trust for the purpose of promoting the wise use of land in the town of Southborough, specifically by acquiring land by gift or purchase to preserve it in its natural, scenic, open or rural condition. Ecologically or agriculturally sensitive land is preserved to create protected wildlife habitats. Educating the public by disseminating information as to the need and value of wise land use is another goal. Activities which will bring people together who appreciate the need for these goals are planned during the year.
